

Let's get cruising

Start your adventure off on the right foot with the Peddle Step. With a step-through frame, getting up and moving has never been easier

Don't forget the essentials

Bring everything you need for your journey with you on your ride. The Peddle Step comes with a built-in rear carrier that's perfect for mounting bags to keep your items safely and conveniently stowed

Easy and comfortable mount

The Peddle Step features a low, step-through frame that makes riding easier. Mount your electric cycle without needing to lift your legs too high, and you're never far from the ground when you need to dismount

A more comfortable ride

Get the ultimate in comfort on every adventure. The gel seat cushions you as you ride to avoid you feeling numb or sore. And with built in seat suspension, every ride can be your smoothest yet

All Peddle bikes come loaded with extras

Over £500 of features included

Peddle electric bikes go beyond the basics. Enjoy a host of innovative upgrades on all of our bike models, designed to make adventuring smoother, easier, and accessible to all

Includes up to £150 worth of accessories

When we say that we'll handle the rest, we really mean it. Every Peddle electric bike comes with a pack of essential accessories to get up and riding

Extensive 24 months' warranty

Ride with peace of mind. If you find any faults with your Peddle electric bike within the first 24 months, you can return it to us for a full refund*
